Amending a Marriage Certificate

What information can be changed with an amendment?

Amendments are used to **correct errors** on the marriage certificate; they may **not** be used to **change** information on the certificate.

Amendments can be used to:

- Correct spelling **errors**.
- Add information to blank items.

Amendments can **NOT** be used to:

- Completely change first, middle, or last names of either party to the marriage.
- Add to or delete middle or last names of either party to the marriage.

The name information collected on a marriage certificate reflects the legal names used by the parties **prior to marriage**, as evidenced to the County Clerk prior to issuance of the marriage license. The marriage certificate cannot be amended to reflect the marital name intended to be used by either party after the marriage.

Common law recognizes the right of a person to change his or her name without the necessity of legal proceedings. Under common law, the parties to the marriage can change his or her surname by non-fraudulent usage. However, a common law name change carries with it no mandate to those with whom one comes in contact to accept at face value the new name. Some ways to effectuate a common law name change is to change one's name on one's driver's license, social security card and passport. Some agencies, such as the Department of Motor Vehicles and the Social Security Administration, accept a certified marriage certificate as proof of identity to use your spouse's last name after marriage.

What do I submit to amend a marriage certificate?

- You will need to complete an Affidavit to Amend a Marriage Record, VS 24(C).
- You **must** include a photocopy of the current marriage certificate **with the local registration number** on it. We need the local registration number to identify the exact record to be amended.
- Mail the following items to our office using the address on the front of this pamphlet:
 - Completed VS 24(C)
 - Appropriate fee
 - Photocopy of current marriage certificate (with local registration number)

(Continued)

**What do I submit
to amend a marriage
certificate?**
(Continued)

- If any of the required items are not included, your request will be returned to you for correction.

Confidential Marriage: Our office does not maintain records of confidential marriages. To amend a confidential marriage record, you will need to submit your VS 24(C) to the County Clerk's Office in the county where the marriage license was issued (contact their office for the appropriate fee). You can still use the information in this pamphlet to assist you in completing the VS 24(C).

**What is the fee
to amend a
marriage
certificate?**

Within One Year of the Marriage:

- There is no fee to amend a record within one year of the date of the marriage (***but you do not get a copy of the amended record***).
- If you want a Certified Copy of the amended record, there is a \$13 fee for each copy.

If the Marriage Occurred More Than One Year Ago:

- There is a \$20 fee, which includes one Certified Copy of the amended record.
- Additional copies are \$13 each.

Please Note

Fees should be paid by check or money order payable to **Office of Vital Records**. International money orders for out-of-country requests should be payable in U.S. dollars.

If you are not paying a fee to process the amendment (it is within the first year and you are not paying to get a Certified Copy of the amended record), you will not receive any contact from our office – we will just amend the record and close the file. For these non-fee amendments, we do not send a notification of receipt or a Certified Copy of the amended record, nor will our Customer Service staff be able to give you a status of your request if you should call our office.

Once we complete the amendment (the processing time is listed at the end of this pamphlet), we will send a copy of the amended record to the local registrar so they can update their records.

**Where can
I get the
VS 24(C)?**

Because the amendment document becomes part of the official record, it must be an **original** form (our office uses a special bond paper). **Photocopies are not acceptable.** One application form is included if you receive this pamphlet by mail. If you need additional copies of the VS 24(C) form, or are accessing this pamphlet on our website:

- Order forms electronically at: <http://www.cdph.ca.gov/Pages/default.aspx>. Because of the volume of phone calls we receive, the Internet is usually a faster process for our customers than calling our Customer Service Unit.
- Call our Customer Service Unit at (916) 445-2684.
- You can also get the form from the County Clerk or County Recorder in any California county.

**How do I
complete the
VS 24(C)?**

A sample of what a completed form should look like is attached.

- Check the type of marriage record to be amended: Public, Confidential, Declared or Non-Clergy. (Remember that a confidential marriage amendment must be submitted to the County Clerk to process.)
- Do not write on the lines above Part I that are marked "State File Number" or "Local Registration Number."

PART I:

- Complete the information **exactly** as it appears on the current marriage certificate.

Note: If you need a copy of the current marriage certificate to complete this section, you can get a copy by contacting the County Recorder's Office in the county where the marriage license was issued (you will need to contact the County Clerk's Office in the county where the license was issued to obtain a copy of a confidential marriage certificate). Due to the increased and urgent need for certified copies of birth certificates as proof of identity, OVR is experiencing lengthy delays in the processing time for marriage records. Since this processing time can easily exceed six months, you should submit your request for a marriage record to the County Recorder's Office in the county where the marriage license was issued.

How do I
complete the
VS 24(C)?
(Continued)

PART II:

- **Item 7:** Enter the item number from the current marriage certificate that needs to be corrected. List only one item per line.
 - **Item 8:** Enter the *incorrect* information **as it appears** on the current marriage certificate.
 - **Item 9:** Enter the *correct* information **as it should appear** on the marriage certificate.
 - **Item 10:** Briefly state the reason for the correction.
-

Who may sign
supporting
affidavits?

Items 11A and 12A on the VS 24(C):

- Two persons having knowledge of the facts must complete the supporting affidavits (e.g., a party to the marriage). See next section for additional information. The signed affidavits must be included on the bottom of the VS 24(C) – and not as a separate document.
 - ***Two signatures are required.***
-

Are there
situations where
specific persons
must sign the
affidavits?

Yes.

- When correcting the ***date or place of marriage***: The person who performed the marriage must sign one of the affidavits.
-

What makes a
VS 24(C) form
“acceptable”?

Important Information

Marriage certificates are legal documents that must hold up in any court, unchallenged as to their accuracy and reliability.

Because the amendment you submit becomes an actual part of this legal document, it must adhere to strict guidelines:

- Every item on the amendment must be completed.
- The amendment form must be an original, not a photocopy.
- Because the amendment form becomes part of the official record, every word and letter must be extremely clear and legible. ***Using a typewriter to complete the form ensures that the information is interpreted clearly.***

(Continued)

**What makes a
VS 24(C) form
“acceptable”?**
(Continued)

- If you are not able to type the amendment, it is extremely important that you take the extra time to print **very clearly and legibly**. Documents that are not legible will be returned to you to complete again.
- **Only black ink is acceptable.**
- **There cannot be any erasures, whiteout, or alterations.**

**How will I know
if my request has
been accepted?**

Once your request has been received and evaluated, we will send you either:

- A postcard letting you know your request has been accepted, and reminding you of our processing time. (You will only receive this postcard if you have paid a fee for the amendment, which means you will be getting a Certified Copy of the amended record.)
- If your request is not accepted (e.g., due to insufficient fee, insufficient information, etc.), we will return your request to you with a letter explaining what needs to be corrected.

Please allow about 6 weeks to receive the acknowledgement postcard. Rejected requests can take up to 10 weeks to be returned.

**Once I file the
amendment, what
happens to the
original record?**

- The original record remains unchanged, and the amendment becomes page 2 of the marriage certificate – making it a two-page document (per Health and Safety Code Sections 102140 and 103255).
- Anyone receiving a copy after the amendment is applied will receive a copy of both documents.

**How long will it
take to process
the amendment?**

Our processing time for marriage amendments is approximately 7 months. (The processing time can change based on our workload.)

**What if I still
have questions?**

If you have read this pamphlet thoroughly and still have questions that were not answered in this pamphlet, please call (916) 557-6073 and leave your name, telephone number, and question. One of our Amended Records staff will return your call within 48 hours.

If you have questions on the **status** of your request, please call our Customer Service Unit at (916) 445-2684 – **but only after the processing time has passed.**
